### **Hello American Prep Families!**

We hope you are all enjoying your summer vacation! Our office will be open Monday through Thursday 10:00 am – 1:00 pm from June 1<sup>st</sup> – June 25<sup>th</sup>. The school office will be closed from June 28<sup>th</sup>-July 30<sup>th</sup>. If you need to contact us, please email Cathie Adamson ([cadamson@apamail.org](mailto:cadamson@apamail.org)) and she will put you in touch with the member of Administration who can help you.

Again, we hope you have an enjoyable and restful summer break!

### **School Vaccinations**

Students who attend public schools must be vaccinated or have filled out an exemption form (obtained from your Dr. or the Health Department) and have it on file at the school. All students must be completely vaccinated BEFORE the first day of school (and we must have a record of the vaccinations). This is especially important for students entering Kindergarten and Jr. High. Please check with your pediatrician to ensure your child is completely vaccinated with all of the required vaccines before the first day of school. You may email or fax the vaccination records to the office as soon as they are completed. Students who are not vaccinated will not be permitted to attend school on the first day – August 30, 2010. Thanks for your attention to this important matter!

### **Summer Stay Sharp Packets**

We have 9 weeks of summer break left for this year! In order to help your students keep their minds sharp and have an advantage when the school year begins again, we sent home Summer Stay Sharp Packets with them at the end of the school year. Remember, each student who completes the packet will receive an ice cream party in September – and we really want everyone to be able to participate in this fun reward!

If you have not received your student(s) Summer Stay Sharp packet, or if you have questions about it, please call Lari Evancich (553-8500 ext. 15). There are additional Math Fact worksheets on the APA website ([www.americanprep.org](http://www.americanprep.org)) as well as more Reading Fluency selections (coming soon!).

## **Summer Withdrawal**

There may be some families who find they will not be returning to American Prep Academy next year. Please remember to let us know as soon as your decision becomes official. Students are prohibited from being enrolled in two public schools at the same time – and we don't want anyone getting in trouble with the school districts!

Our office will be open Monday through Thursday 10:00 am – 1:00 pm from June 1<sup>st</sup> – June 25<sup>th</sup>. It will be closed during July and we will re-open on August 2<sup>nd</sup> from 10:00 am – 1:00 pm. Cathie Adamson will also be available through email when the office is closed [cadamson@apamail.org](mailto:cadamson@apamail.org). If your family decides to withdraw, please email Cathie and let her know. We will need you to fill out and return two withdrawal forms as well as return the Summer Stay Sharp packets. Thank you for your consideration and cooperation!

## **Miss Allen's Italy Blog**

Dear APA Families,

I am very excited about my upcoming trip to Greece and (especially) Italy. I have been thinking of ways that I could share this wonderful experience with all of you. So many of you have asked me where I am going during the trip and what I will be seeing. So I have set up a blog, where I plan to post a few pictures each day of my trip. Think of it as a preview of the many pictures and stories that I will be bringing home. I hope that this can be a incredible adventure for all of us.

Here is the site – [missallenitaly2010.blogspot.com](http://missallenitaly2010.blogspot.com)

Also, here is a summary of my itinerary, so that you know where I will be going.

June 18 – Leave

June 19 – Arrive in Venice Italy for a 7 day Greek cruise

June 20 – Split, Croatia

June 21 – Corfu, Greece

June 22 – Athens (Piraeus)

June 23 - Mykonos , Greece

June 24 – Katakolon, Greece

June 25 – Sailing back to Venice

June 26-27 Venice, Italy

Thank you again for making this possible for me!

### **Posting of Class Lists for 2010-11 School Year**

The class lists were completed by our wonderful teachers during post-service (the two days after school was out). We are not accepting any requests for class placement or class changes. We will be posting the class lists on Monday, August 24<sup>th</sup>.

### **Core Knowledge Pre-School**

Melissa Keller, one of our awesome APA moms and former group instructors, has decided to open a Core Knowledge pre-school this fall. Mrs. Keller just happens to live by the Draper campus in the Draper APA neighborhood, and this convenient locations would make it easy for APA families to take pre-schoolers there. It would also give our upcoming Kindergarteners a good head-start for the great American Prep programs. This pre-school is not affiliated in any way with American Prep Academy schools and no Kindergarten priority enrollment would be available (except for siblings of already attending American Prep students) by attending this preschool. If you are interested in this great opportunity for your preschooler, please read the attached flier.

### **Summer Reading Today Program**

A couple of our wonderful parents have brought this reading program to our attention it is sponsored by KSL and Deseret Book. Because all of our students are already reading this summer, this is a way to make it even more fun. Essentially, each family has 1 login, then reading minutes are tallied for each child. The top 3 schools will get a pizza party in the fall. APA is already listed as a choice. Here is the link to the website - <http://www.readtoday.com/about/>

### **Summer Conditioning Program for Students**

Attached to this newsletter you will find a flyer for a summer conditioning class for students. They will waive the registration fee for American Prep students – just mention you are from American Prep to take advantage of this fun program this summer!
